

APPLICATIONS CLOSING SOON

Jane Goodall's Roots & Shoots

ReWild Your School

**Support your students to become Wildlife Champions
with a FREE Habitat Workshop.**

Thanks to the generous support of the Une Parkinson Foundation we are excited to be offering free habitat workshops for selected schools in Australia.

What you receive:

- Free half-day curriculum-linked habitat incursion for year 5 & 6 students
- Knowledge and tools to identify local species and create appropriate habitat
- Resources and support to encourage student custodianship for the environment
- Free plants, materials and advice to create a habitat and natural space in your school

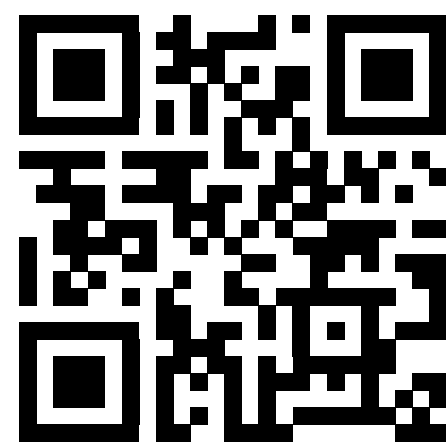

Valued at over \$1000

Schools will be selected based on the suitability of the school grounds to provide improved outcomes for biodiversity, coupled with the willingness of the school to commit to the project.

Apply Today!

We are offering free school incursions
Application close 30th March 2020.
